Professional Summary

Java Developer with 1+ year of hands-on experience in designing, developing, and maintaining robust web applications using Java, Spring Boot, JDBC, and Oracle 19c. Proficient in building RESTful APIs, integrating front-end technologies like HTML, CSS, JavaScript, and Angular, and ensuring seamless backend performance. Demonstrated expertise in troubleshooting application errors, implementing best coding practices, and collaborating in Agile development environments. Strong foundation in Object-Oriented Programming and committed to continuous learning and optimization of both code and systems. Currently enhancing skills to deliver scalable, high-performance software solutions in enterprise-level projects.

Education

A S R Degree College in Vikram Simhapuri University

Bachelor of Degree Computer Application– CGPA-8.56

Nov 2020 – May 2023

Atmakur, Andhra Pradesh

Technical Skills

Programming Languages: Proficient in Java (SE/EE) experienced with HTML, CSS
Backend Development: : Skilled in Java Servlets, JDBC; familiar with Spring and Spring Boot frameworks.
Databases: Experienced with Oracle, MySQL
Frameworks/others: Proficient in VS Code, Eclipse, IntelliJ IDEA; knowledge of Microservices architecture.

Projects

Banking Transaction Management System | *Programming Languages: HTML, CSS, Oracle, Java, Servlets, JDBC ,JSP.*

- Designed and developed a secure web application for banking transactions using Java, JDBC, and Servlets.
- Developed a secure web application facilitating banking transactions, resulting in a 30% reduction in processing time.
- Wrote parameterized SQL queries to protect against SQL injection..
- Implemented user authentication and transaction history features using Java, Servlets, and JDBC.

Railway Ticket Management System | *Programming Languages: HTML, CSS, Oracle, Java, Servlets, JDBC ,JSP.*

- Developed a web-based system to manage railway ticket booking, cancellation, and passenger details efficiently.
- Used JDBC to interact with the database for CRUD operations related to passengers, bookings, and schedules.
- Created a web-based system for efficient railway ticket booking and cancellation, improving user satisfaction by 20%.

Certifications

- MERN STACK DEVELOPER- Brain o vision Solutions
- WEB DEVELOPER- Brain o vision Solutions
- FULL STACK JAVA -Naresh It Hyderabad

Soft Skills

- Effective communication
- Problem-solving
- High ownership and self-driven
- Commitment to project timelines
- add soft skill also in code

Languages

- English
- Telugu
- Hindi
